RE: Career Change Criminal Defense Attorney

Dear Hiring Manager,

I am writing to express my enthusiasm for the Career Change Criminal Defense Attorney position at Acme Corporation, as advertised on your careers page. With a strong background in litigation and a profound commitment to justice, I am eager to leverage my skills and transition into criminal defense to provide support for clients during challenging times.

During my previous role as a civil litigation attorney at Smith & Associates, I successfully represented a diverse range of clients, achieving a 90% win rate in trials. One notable case involved defending a client against complex fraud charges, where I developed a comprehensive defense strategy that highlighted procedural errors in the prosecution's approach. This experience not only honed my analytical and negotiation skills but also deepened my understanding of legal processes. Additionally, I have actively volunteered for local legal aid organizations, providing pro bono services that opened my eyes to the nuances of criminal law and the importance of advocacy for the underrepresented.

I am particularly drawn to Acme Corporation due to its commitment to social justice and community engagement, aligning with my values and professional aspirations. I am excited about the opportunity to contribute to your team and to advance clients' rights effectively. I am looking forward to the possibility of discussing my application in more detail and exploring how my background can complement your firm's goals. Thank you for considering my application.

Sincerely,

Jordan R. Thompson
