Acme Corporation

RE: Career Change Forensic Accountant

Dear Hiring Manager,

I am writing to express my enthusiasm for the Career Change Forensic Accountant position at Acme Corporation, which I discovered on LinkedIn. With a strong background in finance and a passion for investigative analysis, I am excited about the opportunity to leverage my skills in a forensic accounting role at your esteemed organization.

Throughout my previous role as a Senior Financial Analyst at XYZ Financial Services, I developed a keen eye for detail and a knack for identifying discrepancies in financial records. One of my key achievements was leading a project that uncovered a series of accounting irregularities that resulted in a \$1 million recovery for the company. This experience honed my analytical skills and reinforced my ability to work under pressure while maintaining a strong ethical foundation. Furthermore, I earned recognition for my contribution to the development of new financial monitoring tools which improved our audit processes and reduced errors by 30%.

I am particularly drawn to the forensic accounting field because it combines my analytical strengths with my commitment to upholding financial integrity. I am eager to bring my background in financial analysis and my recent coursework in forensic accounting to Acme Corporation. I am confident that my diverse skill set and proactive approach will make me a valuable asset to your team.

I would love the opportunity to discuss my candidacy further and explore how my experience aligns with the goals of Acme Corporation. Thank you for considering my application. I look forward to the possibility of contributing to your team as a Career Change Forensic Accountant.

Sincerely,

Jordan Mitchell
