RE: Career Change Immigration Attorney

Dear Hiring Manager,

I am excited to apply for the Career Change Immigration Attorney position at Acme Corporation, as advertised on your careers page. With a strong background in law and a deep commitment to supporting diverse communities, I am eager to bring my skills and passion for immigration law to your esteemed firm.

In my previous role as a legal consultant, I successfully assisted over 100 clients in navigating their immigration processes, achieving a 95% success rate in securing visas and green cards. This experience not only honed my legal expertise but also reinforced my dedication to client advocacy. Additionally, I spearheaded a pro bono initiative that provided legal assistance to refugees, where I trained a team of volunteers to effectively help individuals from diverse backgrounds. This initiative not only increased our outreach but also received commendation from local advocacy groups, highlighting my ability to lead and inspire others in the field of immigration law.

As I transition into this role, I am particularly drawn to Acme Corporation's commitment to providing holistic support to clients throughout their immigration journeys. I am confident that my background in both legal and humanitarian efforts aligns with your mission, and I am enthusiastic about the opportunity to contribute to your team. I would welcome the chance to discuss how my skills and experiences can add value to Acme Corporation. Thank you for considering my application.

Sincerely,

Jordan M. Thompson
