Acme Corporation

RE: Career Change Mason

Dear Hiring Manager,

I am writing to express my enthusiasm for the Career Change Mason position at Acme Corporation, which I discovered on your careers page. With a strong background in construction and a keen interest in masonry, I am excited about the opportunity to contribute my skills and passion to your esteemed team.

In my previous role as a construction technician, I successfully managed various projects that required precision and attention to detail. One notable achievement was leading a team to complete a residential renovation that included intricate brickwork and stone masonry. This project not only finished ahead of schedule but also received accolades from the homeowner for its craftsmanship and durability. Additionally, I have completed several masonry workshops that have deepened my understanding of materials and techniques, which I believe will serve me well in the Career Change Mason role.

I am particularly drawn to Acme Corporation because of your commitment to quality and innovation in masonry work. I am eager to bring my collaborative spirit and hands-on experience to your projects, ensuring that we not only meet but exceed client expectations. I look forward to the possibility of discussing how my background, skills, and enthusiasms align with the goals of your team. Thank you for considering my application.

Sincerely,

Jordan A. Mitchell
