RE: Career Change Physical Therapist

Dear Hiring Manager,

I am excited to apply for the Career Change Physical Therapist position at Acme Corporation, which I discovered on your company's careers page. With a strong background in healthcare and a passion for physical therapy, I believe my skills and experiences align well with the requirements of this role. My dedication to improving patient outcomes and enhancing their quality of life makes me an ideal fit for your team.

During my previous role as a healthcare coordinator, I successfully implemented a patient management system that increased patient follow-up compliance by 40%. This experience has equipped me with a solid understanding of the importance of patient engagement and the role it plays in rehabilitation. Additionally, I volunteered at a local rehabilitation center, where I supported licensed physical therapists in developing personalized treatment plans. Working closely with patients recovering from injuries allowed me to witness firsthand the transformative power of physical therapy, further motivating my career transition into this field.

I am eager to contribute my skills in patient communication, data management, and my enthusiasm for physical therapy to Acme Corporation. I would love the opportunity to discuss how my unique background can bring a fresh perspective to your team. Thank you for considering my application; I look forward to the possibility of discussing my candidacy further.

Sincerely,

Jordan Smith
