RE: Career Change Reading Specialist

Dear Hiring Manager,

I am excited to apply for the Career Change Reading Specialist position at Acme Corporation, which I discovered on your careers page. With a strong background in education and a deep passion for literacy development, I am eager to contribute to your team and support individuals navigating their career transitions. Acme's commitment to fostering a learning environment aligns perfectly with my professional values and aspirations.

In my previous role as an Educational Coordinator, I successfully implemented a reading intervention program that increased literacy rates among at-risk students by 30% within one academic year. By customizing lesson plans and incorporating engaging materials, I was able to reignite a love for reading in students who had previously struggled. Additionally, I facilitated workshops for educators on best practices for teaching reading comprehension, resulting in a 25% improvement in student assessments across several classrooms. These experiences have equipped me with the skills necessary to assist adults in developing their reading and comprehension skills, especially during career transitions.

I am particularly drawn to the opportunity at Acme Corporation because of your innovative approach to adult education. I am eager to bring my expertise in reading development and my dedication to fostering an inclusive learning environment to your organization. I believe my background aligns well with the qualifications you seek, and I would appreciate the chance to discuss how I can contribute to your mission further. Thank you for considering my application; I look forward to the opportunity to speak with you soon.

Sincerely,

Jordan Avery Thompson
