Acme Corporation

RE: Career Change Refrigeration Technician

Dear Hiring Manager,

I am excited to apply for the Career Change Refrigeration Technician position at Acme Corporation, which I discovered on your careers page. As a dedicated professional transitioning from a background in mechanical engineering, I am eager to leverage my technical skills and problem-solving abilities in the refrigeration field. I am particularly drawn to Acme Corporation's commitment to innovation and excellence, and I believe my unique perspective can contribute positively to your team.

In my previous role as a mechanical engineer, I successfully led a project to redesign an HVAC system for a large commercial facility, resulting in a 25% increase in energy efficiency. My hands-on experience with system diagnostics and repairs will be invaluable in troubleshooting and maintaining refrigeration units. Additionally, I completed an industry-recognized certification in refrigeration technology, where I learned the latest techniques in installation and service, further solidifying my competency in this field.

I am particularly adept at working under pressure and managing multiple priorities, as evidenced by my ability to coordinate with diverse teams to meet project deadlines consistently. I am committed to continuous learning and growth, which I believe aligns with Acme Corporation's values. I am excited about the prospect of joining your team and contributing to your reputation for high-quality service.

I welcome the opportunity to discuss how my background, skills, and enthusiasm can align with the goals of Acme Corporation. Thank you for considering my application. I look forward to the possibility of contributing to your esteemed company and hope to speak with you soon.

Sincerely,

Jordan Thompson
