RE: Entry Level Change Manager

Dear Hiring Manager,

I am writing to express my enthusiasm for the Entry Level Change Manager position at Acme Corporation, which I discovered on your careers page. With a strong academic background in Business Administration and hands-on experience in project management, I am eager to bring my skills to your esteemed company, known for its commitment to innovation and excellence.

During my internship at XYZ Solutions, I successfully led a team project aimed at streamlining internal communication processes. By implementing a new messaging platform, we reduced response times by 30% and increased team collaboration. This experience honed my ability to analyze existing workflows and execute change initiatives effectively, aligning perfectly with the responsibilities of an Entry Level Change Manager. Additionally, in my capstone project at university, I conducted a thorough analysis of change management strategies across various industries, which allowed me to develop a comprehensive change implementation plan that received commendation from faculty for its practical insights and structured approach.

I am particularly drawn to this position at Acme Corporation because of your focus on fostering a culture of continuous improvement. I am excited about the opportunity to contribute to your change management initiatives and support your teams in navigating transitions smoothly. I am looking forward to the possibility of discussing how my background, skills, and enthusiasms align with the goals of your team. Thank you for considering my application.

Sincerely,

Jordan Smith
