Acme Corporation

RE: Entry Level Illustrator

Dear Hiring Manager,

I am writing to express my enthusiasm for the Entry Level Illustrator position at Acme Corporation, as advertised on your careers page. As a recent graduate with a Bachelor of Fine Arts in Illustration from State University, I am excited about the opportunity to contribute to your creative team and bring your projects to life with my artistic skills.

During my time at university, I developed a strong portfolio that includes a variety of styles and mediums, which I believe aligns well with the innovative work produced at Acme Corporation. For instance, I completed a project for a local children's book that involved illustrating over 20 full-color pages. This experience not only honed my ability to create engaging visuals but also taught me how to meet tight deadlines and collaborate with authors to ensure the illustrations aligned with their vision. Additionally, I interned at Creative Studios where I assisted in creating digital assets for an advertising campaign, which increased client engagement by 30%. This experience provided me with a solid understanding of the commercial side of illustration and the importance of visual storytelling in marketing.

I am eager to bring my creativity and dedication to Acme Corporation, where I can contribute to exciting projects and continue to grow as an illustrator. I would love the opportunity to discuss how my background and skills align with the needs of your team. Thank you for considering my application; I look forward to the possibility of discussing my application further.

Sincerely,

Lila Thompson
