Acme Corporation

RE: Entry Level Photographer

Dear Hiring Manager,

I am excited to apply for the Entry Level Photographer position at Acme Corporation, which I discovered on your careers page. With a deep passion for photography and a strong desire to contribute to a dynamic team, I am eager to bring my creativity and skills to your esteemed company.

During my time at university, I had the opportunity to work as a freelance photographer for various events, including weddings and local festivals. One of my proudest achievements was capturing a local charity event that resulted in a 20% increase in donations due to the compelling visual story I was able to tell through my images. Additionally, I completed an internship with a local magazine, where I was responsible for producing high-quality images for articles and social media. My work contributed to a 15% rise in online engagement, demonstrating my ability to create appealing content that resonates with audiences.

I am particularly drawn to Acme Corporation because of its commitment to fostering creativity and innovation in photography. I am eager to learn from your experienced team and contribute my unique perspective and skills. I am confident that my background in visual storytelling and event photography will enable me to make a positive impact on your projects.

I would love the opportunity to discuss how my background, skills, and enthusiasms align with the goals of Acme Corporation. Thank you for considering my application. I look forward to the possibility of contributing to your team and discussing my application further.

Sincerely,

Jordan Lee Thompson
