Acme Corporation

RE: Freelance To Full Time Automation Controls Engineer

Dear Hiring Manager,

I am writing to express my enthusiasm for the Freelance To Full Time Automation Controls Engineer position at Acme Corporation, which I discovered on your careers page. With a strong background in automation systems and controls engineering, I am excited about the opportunity to contribute my skills to a company that values innovation and efficiency.

During my freelance career, I successfully designed and implemented a complex automation system for a manufacturing client that reduced operational downtime by 30%. This project involved collaborating with cross-functional teams to integrate PLC programming, HMI design, and SCADA systems, ensuring seamless communication between all components. Additionally, I led a project that optimized a production line process, resulting in a 20% increase in throughput while maintaining quality standards. These experiences have honed my technical expertise and reinforced my ability to deliver results in dynamic environments.

I am particularly drawn to the vision of Acme Corporation and its commitment to leveraging cutting-edge technology to advance automation solutions. I am eager to bring my experience in developing innovative control strategies and my proactive approach to problem-solving to your team. I believe my unique perspective as a freelancer, combined with my technical skills and collaborative mindset, will make me a valuable asset as I transition into a full-time role.

I look forward to the possibility of discussing how my background, skills, and enthusiasms align with the goals of Acme Corporation. Thank you for considering my application; I would be thrilled to explore this opportunity further.

Sincerely,

Jordan T. Mitchell
