RE: Freelance To Full Time Bankruptcy Attorney

Dear Hiring Manager,

I am excited to apply for the Freelance To Full Time Bankruptcy Attorney position at Acme Corporation, as advertised on your company website. With over five years of experience in bankruptcy law and a proven track record of successful outcomes for my clients, I am eager to bring my expertise to your esteemed firm. I have long admired Acme Corporation's commitment to providing compassionate and effective legal solutions, and I would be thrilled to contribute to your team.

During my freelance career, I successfully represented a diverse array of clients in Chapter 7 and Chapter 13 bankruptcy cases, achieving a 95% success rate in debt discharge and repayment plans. For example, I assisted a small business owner struggling with overwhelming debt to navigate a Chapter 11 filing, facilitating a restructuring plan that not only preserved the business but also allowed them to retain essential assets. Additionally, I played a crucial role in a complex case involving multiple creditors, where I negotiated settlements that reduced clients' total liabilities by over 40%, providing them with a fresh start and peace of mind.

I am particularly drawn to Acme Corporation's innovative approach to bankruptcy law, and I believe that my experience aligns well with your mission. I am eager to discuss how I can leverage my skills to enhance your team and support your clients in achieving their financial recovery goals. Thank you for considering my application; I look forward to the opportunity to speak with you further about how I can contribute to Acme Corporation.

Sincerely,

Jessica M. Thompson
