Acme Corporation

RE: Freelance To Full Time C Plus Plus Developer

Dear Hiring Manager,

I am excited to apply for the Freelance To Full Time C Plus Plus Developer position at Acme Corporation, as advertised on your careers page. With a strong background in C++ development and a proven track record of delivering high-quality software solutions, I am eager to bring my expertise to your team and contribute to your innovative projects.

During my freelance career, I successfully developed a performance-critical application for a client in the financial sector, optimizing their data processing algorithms which led to a 30% reduction in processing time. This project not only enhanced my problem-solving skills but also deepened my expertise in multi-threading and memory management in C++. Additionally, I have collaborated with various teams to create cross-platform applications, ensuring seamless integration and user experience across different systems. One of my notable achievements was leading a team of developers in creating a complex gaming engine, which garnered positive feedback for its performance and stability, showcasing my ability to lead projects while maintaining high coding standards.

I am very interested in the opportunity to transition from freelance work to a full-time role at Acme Corporation. I believe my hands-on experience and commitment to continuous learning align well with your team's goals. I would love the chance to further discuss how my background, skills, and enthusiasms can contribute to the exciting projects at Acme. Thank you for considering my application, and I look forward to the opportunity to speak with you soon.

Sincerely,

Jordan L. Mitchell
