Acme Corporation

RE: Freelance To Full Time Carpenter

Dear Hiring Manager,

I am excited to apply for the Freelance To Full Time Carpenter position at Acme Corporation, which I discovered on your website. With over eight years of experience in carpentry and a proven track record of delivering high-quality craftsmanship, I am eager to bring my skills to your team and contribute to your projects with the same passion and dedication that I have shown throughout my freelance career.

In my previous roles, I successfully managed diverse carpentry projects, including residential renovations and custom furniture builds. For instance, I led a team to complete a high-end kitchen remodel that not only met but exceeded client expectations, resulting in a 30% increase in referrals for my freelance business. Additionally, I designed and constructed a custom home office that utilized innovative storage solutions, which was featured in a local design magazine, highlighting my ability to blend functionality with aesthetics.

I am particularly drawn to Acme Corporation's commitment to quality and innovation in carpentry. I believe my experience working with a variety of materials and techniques aligns perfectly with your mission. I am eager to transition from freelance work to a full-time role where I can collaborate with other skilled professionals and contribute to larger projects. I would appreciate the opportunity to discuss how my background, skills, and enthusiasms could be of value to your team. Thank you for considering my application, and I look forward to the possibility of discussing this exciting opportunity further.

Sincerely,

Jordan Matthews
