RE: Freelance To Full Time Criminal Defense Attorney

Dear Hiring Manager,

I am excited to apply for the Freelance To Full Time Criminal Defense Attorney position at Acme Corporation, which I discovered on your careers page. With a robust freelance practice specializing in criminal defense and a proven track record of successful case outcomes, I am eager to bring my expertise and commitment to your esteemed firm.

During my freelance career, I successfully defended over 50 clients in various criminal cases, achieving a 75% acquittal rate in jury trials and dismissals in pre-trial motions. One notable case involved a complex drug trafficking charge where I conducted extensive legal research and formulated a compelling defense strategy that ultimately led to the charges being dropped. Additionally, I have developed strong relationships with local law enforcement and court officials, which has proven invaluable in negotiating favorable plea deals and understanding procedural nuances that enhance my clients' outcomes.

I am particularly drawn to Acme Corporation's commitment to client advocacy and its innovative approach to legal defense. I believe that my passion for justice and my experience working with diverse clientele align well with your firm's values. I am enthusiastic about the opportunity to collaborate with your team and contribute to the continued success of your criminal defense practice.

I would welcome the chance to discuss how my background, skills, and enthusiasms can contribute to the needs of Acme Corporation. Thank you for considering my application; I look forward to the possibility of speaking with you soon.

Sincerely,

Jordan A. Mitchell
