RE: Freelance To Full Time Dairy Farm Worker

Dear Hiring Manager,

I am writing to express my enthusiasm for the Freelance To Full Time Dairy Farm Worker position at Acme Corporation, which I discovered on your company website. With a solid background in dairy farming and a passion for sustainable agriculture, I am eager to contribute to your team and help streamline operations while ensuring the highest standards of animal welfare and productivity.

During my three years of freelance work on various dairy farms, I successfully implemented a new feeding regimen that improved milk production by 15% over six months. This initiative not only enhanced the health of the herd but also resulted in significant cost savings for my clients. Additionally, I took the lead in a herd health management program that reduced the incidence of mastitis by 20%, showcasing my dedication to animal welfare and my ability to bring tangible results to the farms I work with. My experience in operating and maintaining milking machinery has also equipped me with the technical skills necessary to ensure smooth daily operations.

I am excited about the opportunity to transition from freelance work to a full-time role at Acme Corporation, where I can leverage my skills and experience to make a meaningful impact. I would welcome the chance to discuss how my background and achievements align with the goals of your organization. Thank you for considering my application; I look forward to the possibility of contributing to the success of your dairy operation.

Sincerely,

Jessica M. Thompson
