Acme Corporation

RE: Freelance To Full Time Dental Hygienist

Dear Hiring Manager,

I am excited to apply for the Freelance To Full Time Dental Hygienist position at Acme Corporation, which I discovered through your company website. With a strong background in dental hygiene and a proven track record of providing exceptional patient care, I believe I would be a valuable addition to your team. My passion for oral health and commitment to patient education aligns seamlessly with the values of Acme Corporation.

During my years as a freelance dental hygienist, I have had the opportunity to work with diverse patient populations, which has enhanced my adaptability and communication skills. One of my key achievements involved implementing a new patient education program at a local clinic, which resulted in a 30% increase in treatment acceptance rates over six months. Additionally, I successfully collaborated with dentists to develop tailored hygiene treatment plans for patients with specific needs, thereby improving patient satisfaction scores significantly.

I am particularly drawn to this full-time opportunity at Acme Corporation because of your commitment to innovative dental care and community outreach. I am eager to bring my expertise in preventive care and patient management to your practice, contributing to the high standard of service that Acme is known for. I would love the chance to discuss how my background, skills, and enthusiasms align with the goals of your team. Thank you for considering my application; I look forward to the possibility of contributing to your esteemed practice.

Sincerely,

Jessica Martin
