Acme Corporation

RE: Freelance To Full Time Dot Net Developer

Dear Hiring Manager,

I am excited to apply for the Freelance To Full Time Dot Net Developer position at Acme Corporation, which I discovered on LinkedIn. With over five years of experience in developing robust applications using the .NET framework, I am eager to bring my skills to your innovative team and contribute to your company's success.

Throughout my freelance career, I have successfully completed several projects that not only improved client satisfaction but also streamlined their operations. For instance, I developed a comprehensive inventory management system for a local retailer that integrated with their existing e-commerce platform, which resulted in a 30% increase in operational efficiency. This project involved using ASP.NET Core and Entity Framework, showcasing my ability to create scalable solutions tailored to specific business needs. Additionally, I collaborated with a non-profit organization to revamp their website using MVC architecture, which improved user engagement by 40%, demonstrating my commitment to delivering high-quality, user-friendly applications.

I am particularly drawn to the opportunity at Acme Corporation due to your commitment to leveraging technology for innovative solutions. I am eager to discuss how my background in full-stack development and proven track record of delivering projects on time aligns with your team's goals. Thank you for considering my application. I look forward to the possibility of discussing my candidacy further.

Sincerely,

Jordan Mitchell
