RE: Freelance To Full Time Family Law Attorney

Dear Hiring Manager,

I am excited to apply for the Freelance To Full Time Family Law Attorney position at Acme Corporation, which I discovered on LinkedIn. With over five years of experience in family law, including divorce, child custody, and domestic violence cases, I am eager to bring my expertise to your esteemed firm and contribute to advocating for clients' rights and interests.

In my freelance practice, I successfully represented numerous clients in high-stakes custody disputes, achieving favorable outcomes in 85% of cases. One of my most notable achievements was representing a single mother in a contentious custody battle, where I crafted a compelling case that resulted in primary custody being awarded to her, significantly changing her life and that of her child. Additionally, I have developed a robust network of professionals, including social workers and child psychologists, which I leverage to provide clients with comprehensive support during their legal journey.

I am particularly drawn to the collaborative culture at Acme Corporation and the opportunity to work with a dedicated team of family law professionals. I believe my proactive approach to case management and my commitment to keeping clients informed and engaged throughout the legal process align well with your firm's values. I am eager to discuss how my background, skills, and passion for family law can contribute to the success of Acme Corporation. Thank you for considering my application. I look forward to the opportunity to speak with you further.

Sincerely,

Jessica M. Rivera
