Acme Corporation

RE: Freelance To Full Time Immigration Lawyer

Dear Hiring Manager,

I am excited to apply for the Freelance To Full Time Immigration Lawyer position at Acme Corporation, which I discovered on your careers page. With a strong background in immigration law and a commitment to advocating for clients from diverse backgrounds, I am eager to contribute to your team and help navigate the complexities of immigration processes for individuals and families seeking a better life in the United States.

During my years as a freelance immigration lawyer, I successfully represented over 100 clients in various immigration matters, including asylum applications, family-sponsored visas, and employment-based petitions. One notable case involved a family fleeing persecution in their home country; I secured asylum for them within six months, allowing them to start anew in the U.S. Additionally, I streamlined the filing process for employment-based green cards by developing a comprehensive checklist and workflow system, which resulted in a 30% reduction in processing times for my clients.

I am particularly drawn to Acme Corporation because of your commitment to providing inclusive legal services and your reputation for excellence in the immigration law field. I am eager to bring my expertise in client advocacy, knowledge of immigration policies, and ability to navigate complex legal landscapes to your firm. I am enthusiastic about the opportunity to transition from freelance work to a full-time role at Acme Corporation, where I can contribute to your mission and support clients in achieving their immigration goals.

I would love the opportunity to discuss how my background, skills, and passion align with the needs of your team. Thank you for considering my application; I look forward to the possibility of contributing to Acme Corporation and advocating for those in need of immigration assistance.

Sincerely,

Sophia Ramirez
