RE: Freelance To Full Time Interior Designer

Dear Hiring Manager,

I am excited to apply for the Freelance To Full Time Interior Designer position at Acme Corporation, which I learned about through your company's careers page. With over five years of freelance experience in creating innovative and functional interior spaces, I am eager to bring my expertise and passion for design to your team and help elevate your projects to new heights.

During my freelance career, I had the opportunity to work on a diverse range of residential and commercial projects, one of which was a complete renovation of a historic downtown building. I collaborated with architects and contractors to transform the space into a modern office while preserving its historical charm, resulting in a 30% increase in rental inquiries within the first month of completion. Additionally, I was recognized for my ability to maximize space efficiency in a compact urban apartment redesign, which earned me a feature in a popular design magazine and significantly boosted my client's rental income.

I am particularly drawn to Acme Corporation's commitment to sustainability and innovative design solutions. I admire your recent project that integrated eco-friendly materials with cutting-edge design, and I would love to contribute my knowledge of sustainable practices to further enhance your offerings. I am looking forward to the opportunity to discuss how my background in both freelance and collaborative environments can align with your team to create exceptional spaces that resonate with clients' visions. Thank you for considering my application.

Sincerely,

Sophia Martinez
