RE: Freelance To Full Time Mechanic

Dear Hiring Manager,

I am excited to apply for the Freelance To Full Time Mechanic position at Acme Corporation, as advertised on your company website. With over five years of experience in the automotive repair industry, I am eager to bring my expertise and commitment to quality service to your team. My freelance work has allowed me to adapt quickly to diverse mechanical challenges, and I am enthusiastic about the opportunity to transition to a full-time role where I can contribute to a reputable organization like Acme Corporation.

Throughout my freelance career, I successfully managed various mechanical projects that honed my skills across different automotive systems. For instance, I collaborated with a local small business to revamp their fleet maintenance program, resulting in a 30% reduction in unexpected repairs and a significant increase in vehicle uptime. Additionally, I earned a reputation for my attention to detail and diagnostic skills when I diagnosed and repaired a complex transmission issue for a classic car enthusiast, which not only delighted my client but also earned me referrals that boosted my freelance business. My hands-on experience with a wide range of vehicles equips me with the ability to tackle any challenge that may arise and deliver exceptional results.

I am enthusiastic about the possibility of joining Acme Corporation and contributing to your mission of providing top-notch automotive solutions. I would appreciate the opportunity to further discuss how my background and skills align with the needs of your team. Thank you for considering my application; I look forward to the possibility of discussing this exciting opportunity with you.

Sincerely,

Jordan Mitchell
