RE: Freelance To Full Time Medical Coder

Dear Hiring Manager,

I am writing to express my enthusiasm for the Freelance To Full Time Medical Coder position at Acme Corporation, which I discovered on your careers page. With over five years of experience in medical coding and a proven track record of accuracy and efficiency, I am excited about the opportunity to contribute my skills to your team and further support the vital work you do in the healthcare industry.

In my previous freelance role, I successfully coded over 3,000 medical records for a variety of specializations, ensuring compliance with the latest ICD-10 and CPT coding guidelines. This experience not only honed my attention to detail but also taught me the importance of maintaining accuracy under tight deadlines. Additionally, I implemented a streamlined coding process that reduced turnaround time by 20%, allowing my clients to receive reimbursements faster and improve their revenue cycle management. My ability to adapt to different electronic health record (EHR) systems has further enhanced my effectiveness, as I have coded in multiple platforms such as EPIC and Cerner.

I am particularly drawn to Acme Corporation's commitment to delivering exceptional healthcare solutions, and I believe that my dedication to maintaining high coding standards will align well with your organization's goals. I am eager to bring my expertise in medical coding and my proactive approach to problem-solving to your team. I would greatly appreciate the opportunity to discuss my qualifications in more detail and explore how I can contribute to the success of Acme Corporation. Thank you for considering my application.

Sincerely,

Jordan M. Thompson
