RE: Freelance To Full Time Midwife

Dear Hiring Manager,

I am thrilled to apply for the Freelance To Full Time Midwife position at Acme Corporation, as advertised on your careers page. With a passion for maternal and child health and a robust background in midwifery, I am excited about the opportunity to contribute to your team and support families throughout their child-birth journeys.

In my previous freelance role, I successfully managed over 40 births, providing personalized care and support to expectant mothers. My approach combines evidence-based practices with a deep understanding of individual needs, which resulted in a 95% satisfaction rate among my clients, as evidenced by feedback collected through follow-up surveys. One of my proudest achievements was leading a community birthing workshop that educated over 100 women on the importance of prenatal care and birth options, significantly increasing their confidence and engagement in the birthing process.

I am particularly drawn to Acme Corporation for its commitment to holistic care and community engagement, aligning perfectly with my values as a midwife. I am eager to bring my skills in prenatal education, labor support, and postpartum care to your team, ensuring that every family feels empowered and supported. I would welcome the chance to discuss how my experience and commitment to high-quality care can complement your mission. Thank you for considering my application.

Sincerely,

Emily Johnson
