RE: Freelance To Full Time Music Teacher

Dear Hiring Manager,

I am excited to apply for the Freelance To Full Time Music Teacher position at Acme Corporation, which I discovered on your careers page. With over five years of experience in music education and a passion for fostering creativity in students, I am eager to contribute my skills and expertise to your esteemed institution.

In my previous role as a freelance music instructor, I successfully developed tailored lesson plans for diverse groups of students ranging from beginners to advanced levels. One of my proudest achievements was implementing a community music program that increased student enrollment by 40% within a year. This program not only enhanced students' musical abilities but also fostered a sense of community and collaboration among families. Additionally, I organized an annual recital that highlighted students' progress and boosted their confidence, receiving positive feedback from both parents and school administrators.

I am particularly drawn to Acme Corporation's commitment to a holistic approach to music education, and I am eager to bring my innovative teaching methods into a full-time role. I believe that my experience in creating engaging curricula and my ability to adapt to different learning styles will greatly benefit your students. I welcome the opportunity to further discuss how my background and vision align with the goals of your music department. Thank you for considering my application.

Sincerely,

Emily Carter
