RE: Freelance To Full Time Order Picker

Dear Hiring Manager,

I am excited to apply for the Freelance To Full Time Order Picker position at Acme Corporation, which I discovered on your careers page. With a strong background in warehouse operations and a proven track record of efficiency, I am eager to bring my skills to your team and contribute to your continued success.

During my time as a freelance order picker, I successfully managed a high volume of orders for various clients, consistently achieving a 98% accuracy rate. For instance, I implemented a new organization strategy that reduced order retrieval time by 20%, which not only increased productivity but also enhanced customer satisfaction. Additionally, I collaborated closely with shipping departments to streamline the packing process and reduce shipping errors, resulting in a 15% decrease in return rates over a six-month period.

I am particularly drawn to Acme Corporation's commitment to innovation and excellence in logistics. I believe my hands-on experience and dedication to efficiency align well with your company's goals. I am eager to discuss how my skills in order picking, inventory management, and team collaboration can contribute to the success of your operations. Thank you for considering my application; I look forward to the opportunity to speak with you further.
