RE: Freelance To Full Time Painter

Dear Hiring Manager,

I am excited to apply for the Freelance To Full Time Painter position at Acme Corporation, which I discovered on your careers page. With a robust portfolio and a passion for transforming spaces through my art, I am eager to bring my skills and creativity to your esteemed company.

Throughout my freelance career, I have successfully completed a variety of projects that showcase my versatility and attention to detail. One of my proudest achievements was a large-scale mural for a local community center, where I collaborated with a team of artists to design and execute a vibrant piece that not only beautified the space but also received commendations from the city council. This project not only honed my technical skills but also taught me the importance of teamwork and effective communication, which I believe are vital in a full-time role at Acme Corporation. Additionally, I have a proven track record of managing multiple projects simultaneously, having delivered over 30 commissioned pieces last year alone, each with its own unique style and requirements, showcasing my adaptability to different artistic visions.

I am truly enthusiastic about the possibility of contributing to Acme Corporation and am eager to discuss how my background, skills, and passion for painting could align with your team's goals. Thank you for considering my application; I look forward to the opportunity to speak with you further.

Sincerely,

Jordan Alexander Smith
