Acme Corporation

RE: Freelance To Full Time Pest Control Technician

Dear Hiring Manager,

I am excited to apply for the Freelance To Full Time Pest Control Technician position at Acme Corporation, as advertised on your company website. With a solid background in pest management and a passion for providing effective solutions, I believe I can contribute to your team and help maintain Acme's reputation for excellence in pest control services.

Over the past three years as a freelance pest control technician, I successfully managed my own business while serving a diverse clientele, ranging from residential properties to commercial establishments. One notable achievement was reducing a high infestation rate in a local restaurant by 75% within two months, utilizing integrated pest management strategies and thorough inspections. This not only improved the business's reputation but also resulted in a significant return customer rate. Additionally, I implemented an educational program for my clients, which included advice on preventing pest issues, leading to a 30% decrease in recurrent service calls.

I am particularly impressed with Acme Corporation's commitment to environmentally friendly pest control methods, and I am eager to bring my expertise in sustainable practices to your team. I am confident that my experience in both hands-on pest management and customer relations will allow me to excel in this role. I would love the opportunity to further discuss how I can contribute to the continued success of Acme Corporation. Thank you for considering my application.

Sincerely,

Jordan Smith
