Acme Corporation

RE: Freelance To Full Time Physical Therapist

Dear Hiring Manager,

I am excited to apply for the Freelance To Full Time Physical Therapist position at Acme Corporation, as advertised on your careers page. With over five years of experience in various clinical settings and a passion for patient-centered care, I believe I can contribute significantly to your team and help further your commitment to excellence in rehabilitative services.

During my freelance practice, I successfully developed and implemented tailored rehabilitation programs for diverse patient populations, resulting in a 30% improvement in patient mobility within the first six weeks of treatment. One of my key achievements was collaborating with a local orthopedic clinic, where I provided in-home therapy for post-surgical patients. This initiative not only enhanced patient satisfaction but also reduced hospital readmission rates by 15%. Furthermore, my role as a lead therapist for community wellness workshops allowed me to educate over 200 participants on injury prevention and functional movement, fostering a healthier community and increasing clinic referrals by 25%.

I am particularly drawn to Acme Corporation due to your reputation for innovative treatment modalities and commitment to professional development. I am eager to bring my skills in manual therapy and exercise prescription to your team while continuing to grow alongside your organization. I am confident that my proactive approach and dedication to evidence-based practice would align well with your goals.

I would welcome the opportunity to discuss how my background, skills, and enthusiasms align with the needs of your team. Thank you for considering my application. I look forward to the possibility of contributing to Acme Corporation as a full-time Physical Therapist.

Sincerely,

Jordan Taylor
