Acme Corporation

RE: Freelance To Full Time Pipefitter

Dear Hiring Manager,

I am excited to apply for the Freelance To Full Time Pipefitter position at Acme Corporation, which I discovered on your careers page. With over five years of hands-on experience in the plumbing and pipefitting industry, I am eager to bring my skills and dedication to your team, contributing to your reputation for excellence in pipeline systems and infrastructure projects.

During my time as a freelance pipefitter, I successfully completed a variety of projects, from residential installations to large-scale industrial systems. One notable achievement was my work on a commercial complex renovation, where I oversaw the installation of a complex piping system that reduced water waste by 30%. I collaborated closely with contractors and engineers to ensure that all specifications were met, and the project was completed ahead of schedule, which resulted in commendations from the client and additional referrals. Additionally, I implemented innovative techniques to troubleshoot and resolve issues quickly, minimizing downtime and maintaining project momentum.

I am particularly impressed with Acme Corporation's commitment to sustainable practices and cutting-edge technology in the field. I am eager to leverage my expertise in modern pipefitting techniques and my problem-solving abilities to further your projects. I am enthusiastic about the prospect of transitioning from freelance work to a full-time position, where I can contribute as part of a dedicated team and take on greater responsibilities.

I would appreciate the opportunity to discuss how my background, skills, and enthusiasms align with the needs of Acme Corporation. Thank you for considering my application. I look forward to the possibility of contributing to your esteemed company and am excited about the potential to further discuss my qualifications.

Sincerely,

Jordan A. Smith
