RE: Freelance To Full Time Restaurant Manager

Dear Hiring Manager,

I am excited to apply for the Freelance To Full Time Restaurant Manager position at Acme Corporation, which I discovered on LinkedIn. With a strong background in restaurant management and a proven track record of enhancing operational efficiency, I am eager to bring my expertise to your team and contribute to the continued success of your establishments.

During my time as a freelance restaurant consultant, I successfully implemented a cost-saving inventory management system for a local bistro that reduced food waste by 30% over six months. This initiative not only improved profitability but also heightened customer satisfaction by ensuring fresh, high-quality ingredients were consistently available. In another role, I trained a team of servers and kitchen staff at a high-volume restaurant, resulting in a 25% increase in overall sales within three months through enhanced service delivery and upselling techniques.

I am particularly drawn to Acme Corporation because of your commitment to innovative dining experiences and community engagement. I believe that my hands-on experience in both managing day-to-day operations and working closely with staff to foster a positive workplace culture aligns well with your company's values. I am eager to discuss how I can leverage my skills to enhance the operational success of your restaurants.

Thank you for considering my application. I would love the opportunity to further discuss how my background, skills, and enthusiasms align with the needs of your team. I look forward to the possibility of contributing to the exceptional experiences at Acme Corporation.

Sincerely,

Jordan Matthews
