Acme Corporation

RE: Freelance To Full Time Venture Capital Analyst

Dear Hiring Manager,

I am excited to apply for the Freelance To Full Time Venture Capital Analyst position at Acme Corporation, which I discovered on LinkedIn. With a strong background in financial analysis and venture capital, I am eager to contribute my skills to your esteemed firm and help drive successful investment strategies.

During my time as a freelance analyst, I successfully evaluated over 30 startups across various sectors, including technology and healthcare, identifying key market trends and growth opportunities. One notable achievement was my in-depth analysis of a health tech startup, which resulted in a comprehensive report that helped secure a \$2 million investment from a leading venture capital firm. Additionally, I led a team project that analyzed the impact of emerging technologies on traditional business models, providing actionable insights that were highly praised by clients and led to repeat business.

I am particularly drawn to Acme Corporation's commitment to innovative investment strategies and its focus on supporting early-stage companies. I believe my experience in conducting due diligence and building financial models, combined with my passion for fostering entrepreneurial growth, aligns well with your firm's objectives. I am eager to bring my analytical skills and proactive approach to your team.

I would love the opportunity to discuss in further detail how my background and skills can contribute to Acme Corporation's success. Thank you for considering my application; I look forward to the possibility of discussing this exciting opportunity with you.

Sincerely,

Jordan A. Thompson
