Acme Corporation

RE: Internship Detective

Dear Hiring Manager,

I am excited to apply for the Internship Detective position at Acme Corporation, as advertised on your careers page. With a strong passion for investigative work and a commitment to uncovering truth through diligent research, I believe this opportunity aligns perfectly with my career aspirations and skills. I am particularly drawn to Acme Corporation's innovative approach to problem-solving and its reputation for excellence in the field of investigative services.

During my time as a volunteer research assistant at the City Justice Department, I was tasked with analyzing cold case files that had remained unsolved for years. My attention to detail and analytical skills allowed me to identify patterns and inconsistencies in witness statements, leading to a successful re-examination of three cases that had previously stalled. Additionally, my internship at the local police department provided me with firsthand experience in conducting interviews and gathering evidence. I assisted in a community outreach program that educated residents on crime prevention, showcasing my ability to communicate effectively and engage with diverse populations, which I believe is essential for a detective.

I am eager to bring my strong work ethic, investigative skills, and passion for justice to the Internship Detective role at Acme Corporation. I am particularly interested in the opportunity to collaborate with experienced detectives, further hone my skills, and contribute to meaningful cases. I would appreciate the chance to discuss how my background and enthusiasm can add value to your team. Thank you for considering my application.

Sincerely,

Jordan A. Thompson
