RE: Internship EsI Teacher

Dear Hiring Manager,

I am excited to apply for the Internship ESL Teacher position at Acme Corporation, which I discovered through your website's careers page. With a passion for teaching and a strong commitment to fostering language acquisition in diverse classrooms, I believe this role aligns perfectly with my experience and aspirations.

During my time as a volunteer ESL tutor at the local community center, I successfully developed and implemented a curriculum tailored for adult learners, which resulted in a 30% improvement in their language proficiency, as measured by pre- and post-assessment tests. Additionally, I was responsible for organizing engaging conversation clubs that not only improved students' speaking skills but also created a supportive community for non-native speakers. My ability to adapt lesson plans to meet the varying needs of students, including integrating technology into lessons, has been particularly effective in enhancing their learning experience.

I am highly enthusiastic about the opportunity to contribute to Acme Corporation's mission of promoting language education. I am eager to bring my innovative teaching strategies and dedication to student success to your team. I would welcome the chance to discuss how my background, skills, and enthusiasms align with the needs of your organization. Thank you for considering my application; I look forward to the possibility of further discussing my fit for this role.

Sincerely,

Emily Johnson
