Acme Corporation

RE: Internship Freight Broker

Dear Hiring Manager,

I am excited to apply for the Internship Freight Broker position at Acme Corporation, which I discovered on your careers page. As a logistics enthusiast currently pursuing a degree in Supply Chain Management, I am eager to bring my analytical skills and passion for transportation to your esteemed company. I believe that my proactive approach and solid understanding of freight brokerage principles make me a suitable candidate for this role.

During my academic career, I successfully completed a project where I analyzed shipping routes for a small e-commerce business. By evaluating efficiency and costs, I was able to recommend a new logistics strategy that reduced shipping expenses by 15% while improving delivery times. Additionally, I interned with a local freight forwarding company, where I assisted in coordinating shipments and developing relationships with carriers, leading to a 20% increase in on-time deliveries. These hands-on experiences have equipped me with a solid foundation in freight operations and customer service that I am eager to expand at Acme Corporation.

I am particularly drawn to Acme Corporation's commitment to innovation in the logistics field and your focus on sustainable transportation solutions. I am confident that my dedication to efficiency and my strong communication skills would allow me to contribute positively to your team. I would appreciate the opportunity to discuss how my background, skills, and enthusiasm align with the goals of Acme Corporation. Thank you for considering my application; I look forward to the possibility of discussing this exciting opportunity with you.

Sincerely,

Emily Johnson
