Acme Corporation

RE: Internship Illustrator

Dear Hiring Manager,

I am excited to apply for the Internship Illustrator position at Acme Corporation, as advertised on your careers page. As an aspiring illustrator with a passion for visual storytelling, I am enthusiastic about the opportunity to contribute to your team and learn from industry leaders in a creative environment.

During my time at the University of Arts, I had the opportunity to work on a collaborative project where I developed a series of illustrations for a children's book. My illustrations not only enhanced the narrative but also received positive feedback from peers and instructors for their originality and engagement. Additionally, I completed an internship at a local design agency where I assisted in creating marketing materials for various clients. This experience honed my skills in using Adobe Creative Suite and taught me the importance of aligning visual design with client objectives.

I am particularly drawn to Acme Corporation's commitment to innovation and quality in visual content. I admire your recent project that merges traditional illustration with digital techniques, and I would love to contribute to similar initiatives. I am eager to bring my creativity, adaptability, and fresh perspective to your team while continuing to learn and grow as an illustrator.

I look forward to the possibility of discussing how my background, skills, and enthusiasms align with the goals of Acme Corporation. Thank you for considering my application. I hope to speak with you soon.

Sincerely,

Jordan R. Bennett
