Acme Corporation

RE: Internship Line Cook

Dear Hiring Manager,

I am excited to apply for the Internship Line Cook position at Acme Corporation, as advertised on your company's careers page. With a passion for culinary arts and a drive to learn from a top-tier kitchen team, I believe this opportunity aligns perfectly with my career aspirations and dedication to excellence in the culinary field.

During my time at culinary school, I honed my skills in various cooking techniques and kitchen operations, completing a 300-hour externship at a local bistro where I assisted in preparing high-quality dishes under the guidance of experienced chefs. I played a key role in a team that successfully revamped the dinner menu, which increased customer satisfaction ratings as evidenced by a 20% increase in positive reviews online within two months. My ability to work efficiently in a fast-paced environment, while maintaining a commitment to food safety and presentation, sets me apart as a candidate for this internship.

In addition to my practical experience, I have a strong foundation in ingredient sourcing and seasonal cooking, which I demonstrated through a project where I created a five-course tasting menu using locally sourced produce. This not only enhanced my knowledge of flavor combinations but also emphasized the importance of sustainability in the culinary arts. I am eager to bring this knowledge to Acme Corporation, where I can contribute to the team while continuing to expand my culinary skill set.

I am enthusiastic about the possibility of discussing how I can contribute to Acme Corporation as an Intern Line Cook. Thank you for considering my application. I look forward to the opportunity to speak with you further about my passion for cooking and how I can be an asset to your team.

Sincerely,

Jordan Taylor
