RE: Internship Pastry Chef

Dear Hiring Manager,

I am writing to express my enthusiasm for the Internship Pastry Chef position at Acme Corporation, which I discovered on your company's careers page. As a passionate culinary student currently pursuing my diploma in Pastry Arts, the opportunity to contribute to your esteemed kitchen while honing my skills excites me greatly. Your commitment to high-quality, innovative desserts resonates with my culinary philosophy, and I would love to be a part of your team.

During my time at Culinary Institute, I successfully completed a capstone project where I developed a unique dessert menu that focused on seasonal ingredients and sustainable practices. This project not only sharpened my creative skills but also earned me the 'Best Dessert Menu' award in my cohort. Additionally, I interned at Sweet Tooth Bakery, where I assisted in producing a high volume of pastries for various events. My role involved refining classic recipes and implementing new techniques to enhance presentation, which resulted in a 20% increase in customer satisfaction ratings, as noted in the feedback we received from clients.

I am particularly drawn to this internship at Acme Corporation because of your reputation for excellence in pastry arts and your commitment to fostering young talent. I am eager to bring my creativity, strong work ethic, and passion for pastry to your team. I look forward to the possibility of discussing how I can contribute to your projects and learn from your experienced chefs. Thank you for considering my application.

Sincerely,

Sophia Martinez
