Acme Corporation

RE: Internship Pe Teacher

Dear Hiring Manager,

I am writing to express my enthusiasm for the Internship PE Teacher position at Acme Corporation, which I discovered on your careers page. As a passionate advocate for physical education and holistic student development, I am excited about the opportunity to contribute to your team and help cultivate a healthy and active lifestyle among students.

During my time at the University of State, I had the privilege of leading a variety of sports and fitness programs for elementary school children, where I successfully increased participation by 40% over one academic year. I organized weekly sports clinics that combined skill development with fun activities, which created a more engaging environment for students. Additionally, through my internship at Future Stars Academy, I collaborated with experienced teachers to implement a new curriculum focused on promoting teamwork and sportsmanship. This initiative not only enhanced students' athletic skills but also fostered a sense of community among peers, culminating in a school-wide sports day that received overwhelmingly positive feedback from parents and faculty.

I am eager to bring my strong background in physical education and my commitment to student wellness to Acme Corporation. I would love the opportunity to further discuss how my experiences and vision align with your goals for the internship program. Thank you for considering my application; I look forward to the possibility of contributing to your team.

Sincerely,

Jordan Smith
