Acme Corporation

RE: Internship Rancher

Dear Hiring Manager,

I am writing to express my enthusiasm for the Internship Rancher position at Acme Corporation, which I discovered through my university's career services portal. With a strong background in agriculture and a deep passion for sustainable farming practices, I am excited about the opportunity to contribute to your team and further develop my skills in this rewarding field.

During my time volunteering at Green Valley Farm, I successfully led a project aimed at implementing crop rotation techniques that improved soil health and increased yield by 20%. This experience not only honed my project management skills but also taught me the importance of sustainable practices in ranching. Additionally, I completed an internship with Farm Fresh Co., where I worked closely with livestock management, enhancing my knowledge in animal husbandry. I assisted in optimizing feeding schedules and care routines, which resulted in a 15% increase in overall herd health metrics.

I am particularly impressed by Acme Corporation's commitment to innovation in ranching practices and community involvement. I believe that my hands-on experience and proactive approach to learning will enable me to make a meaningful contribution to your team. I would welcome the opportunity to discuss how my background, skills, and enthusiasms align with the goals of Acme Corporation. Thank you for considering my application.

Sincerely,

Jordan Taylor
