Acme Corporation

RE: Internship Real Estate Appraiser

Dear Hiring Manager,

Dear Hiring Manager,

I am writing to express my enthusiasm for the Internship Real Estate Appraiser position at Acme Corporation, as advertised on your careers page. With a strong academic background in finance and a keen interest in real estate valuation, I am excited about the opportunity to contribute to your team and further develop my skills in this dynamic field.

During my studies at State University, I completed a project analyzing residential property values in various neighborhoods, which sharpened my analytical skills and deepened my understanding of market trends. I successfully utilized statistical analysis software to assess property characteristics and predict value shifts, leading to a comprehensive report that received recognition from my professors. Additionally, I interned with a local real estate firm, where I assisted in the preparation of appraisals for residential properties. I collaborated with senior appraisers to gather data, conduct comparative market analyses, and compile detailed reports, which honed my attention to detail and understanding of the appraisal process.

I am particularly drawn to Acme Corporation's commitment to innovation in real estate appraisal methodologies and would be thrilled to bring my skills in research and analysis to your team. I am eager to learn from your experienced professionals and contribute to your projects, ensuring that I uphold the high standards of quality that Acme Corporation is known for.

Thank you for considering my application. I look forward to the opportunity to discuss how my academic achievements and passion for real estate can contribute to the success of Acme Corporation. I appreciate your time and consideration.

Sincerely,

Jordan M. Thompson

Sincerely,

Jordan M. Thompson
