Acme Corporation

RE: Internship Real Estate Attorney

Dear Hiring Manager,

I am writing to express my enthusiasm for the Internship Real Estate Attorney position at Acme Corporation, which I discovered through my university's career services portal. As a second-year law student at the University of Chicago, I have developed a strong foundation in real estate law and am eager to apply my knowledge in a dynamic and challenging environment like yours.

During my first year of law school, I successfully completed an internship at a local law firm where I assisted in drafting residential lease agreements and conducting title searches. My work not only improved my understanding of property law but also honed my research and writing skills, allowing me to deliver precise and clear legal documents. Additionally, I was involved in a team project that analyzed zoning laws for a proposed development, which required collaborating with various stakeholders and presenting our findings to clients. This experience solidified my passion for real estate law and showcased my ability to navigate complex legal frameworks effectively.

I am particularly drawn to Acme Corporation due to its commitment to innovative real estate solutions and community development. I am eager to bring my proactive approach and dedication to your team. I am confident that my academic background and practical experiences will allow me to contribute meaningfully to your projects.

I would welcome the opportunity to discuss further how my skills and experiences align with the needs of Acme Corporation. Thank you for considering my application; I look forward to the possibility of contributing to your esteemed firm.

Sincerely,

Jordan A. Thompson
