Acme Corporation

RE: Internship Social Worker

Dear Hiring Manager,

I am excited to apply for the Internship Social Worker position at Acme Corporation, as advertised on your careers page. With a strong passion for social justice and community service, I am eager to contribute my skills and knowledge to your team while gaining valuable experience in a respected organization like yours.

During my time volunteering at the local community center, I initiated and led a program aimed at providing resources and support for underprivileged families. This program not only improved access to essential services but also increased community engagement, resulting in a 30% rise in attendance over the course of six months. Additionally, while interning at a mental health clinic, I conducted assessments and provided support to clients facing various challenges, enhancing my ability to develop tailored intervention plans that facilitated positive outcomes for many individuals.

I am particularly drawn to Acme Corporation's commitment to empowering marginalized communities, and I admire your holistic approach to social work. I am confident that my background in psychology, combined with my hands-on experience, has prepared me to contribute effectively to your team. I would be thrilled to discuss how my skills align with the goals of your organization and how I can support your mission.

Thank you for considering my application. I look forward to the opportunity to discuss my candidacy further and explore how I can contribute to the impactful work at Acme Corporation.

Sincerely,

Jordan Taylor
