Acme Corporation

RE: Internship Stockbroker

Dear Hiring Manager,

I am writing to express my enthusiasm for the Internship Stockbroker position at Acme Corporation, as advertised on your careers page. With a strong academic background in finance and a passion for the stock market, I am excited about the opportunity to contribute to your team and learn from industry professionals at Acme.

During my studies at State University, I successfully completed a project analyzing market trends that resulted in a 15% increase in the simulated investment portfolio I managed. This experience taught me the importance of data-driven decision-making and strengthened my analytical skills. Additionally, I interned at XYZ Financial Services, where I assisted in conducting research on potential investment opportunities, helping the team generate over \$100,000 in revenue from successful trades. This hands-on experience reinforced my ability to thrive in a fast-paced trading environment while maintaining a keen attention to detail.

I am particularly drawn to Acme Corporation due to your commitment to innovation and integrity in the financial sector. I am eager to bring my unique perspective and dedication to your team while further developing my skills in stock trading and client relations. I look forward to the possibility of discussing how I can contribute to the success of Acme Corporation and learn from your esteemed team.

Thank you for considering my application. I hope to discuss my candidacy further and explore how I can be an asset to your organization.

Sincerely,

Jordan A. Thompson
