Acme Corporation

RE: Mergers Acquisitions Analyst

Dear Hiring Manager,

I am writing to express my enthusiasm for the Mergers Acquisitions Analyst position at Acme Corporation, which I discovered on LinkedIn. With a strong background in financial analysis and strategic planning, I am eager to contribute my expertise to your team and support Acme's growth initiatives through effective mergers and acquisitions.

In my previous role at Global Finance Solutions, I played a pivotal part in the successful acquisition of a mid-sized technology firm valued at \$250 million. My responsibilities included conducting comprehensive financial modeling and due diligence, where I identified critical revenue synergies that projected a 20% increase in overall profitability post-acquisition. Additionally, I collaborated closely with cross-functional teams to streamline integration processes, which resulted in achieving key milestones ahead of schedule. This experience not only honed my analytical skills but also deepened my understanding of the complexities involved in M&A transactions.

Moreover, my internship at Horizon Capital provided me with hands-on experience in evaluating potential acquisition targets and preparing investment theses. I contributed to a project that involved analyzing market trends and competitive positioning, ultimately leading to a recommendation that secured board approval for a \$100 million investment in a renewable energy startup. This role reinforced my ability to synthesize large volumes of data and deliver actionable insights, a skill I believe is crucial for a successful Mergers Acquisitions Analyst at Acme Corporation.

I am excited about the opportunity to discuss how my background, skills, and enthusiasms align with the goals of Acme Corporation. Thank you for considering my application; I look forward to the possibility of contributing to your esteemed team.

Sincerely,

Jordan A. Thompson
