Acme Corporation

RE: No Experience Real Estate Attorney

Dear Hiring Manager,

I am writing to express my enthusiasm for the No Experience Real Estate Attorney position at Acme Corporation, as advertised on your careers page. With my recent completion of a Juris Doctorate from State University and my keen interest in real estate law, I am eager to contribute my skills and passion to your esteemed firm.

During my time in law school, I completed an internship at a local legal aid organization, where I assisted clients with housing disputes and tenant rights issues. This experience not only honed my research and writing abilities but also deepened my understanding of the real estate landscape and the challenges faced by clients. Additionally, I served as a member of the real estate law society, collaborating with peers on workshops to educate fellow students about property laws and regulations, which reinforced my commitment to this field.

I am particularly drawn to Acme Corporation because of its commitment to community-focused real estate development. I believe my academic background and practical experience, combined with my dedication to customer advocacy, will allow me to effectively support your clients and contribute positively to your team. I am excited about the potential to learn from the talented attorneys at your firm and to grow my skills in a dynamic environment.

I look forward to the opportunity to discuss how my background, skills, and enthusiasm for real estate law align with the goals of Acme Corporation. Thank you for considering my application. I hope to speak with you soon.

Sincerely,

Jordan Taylor
