Acme Corporation

RE: Private Equity Associate

Dear Hiring Manager,

I am writing to express my enthusiasm for the Private Equity Associate position at Acme Corporation, as advertised on LinkedIn. With a strong background in finance and extensive experience in investment analysis, I am excited about the opportunity to contribute to your firm's success in identifying and managing high-potential investments.

During my tenure at Greenstone Capital, I successfully led due diligence for a \$50 million investment in a fast-growing tech startup, where my analysis uncovered valuable insights that directly contributed to a strategic partnership with a key industry player. Additionally, I played a pivotal role in optimizing the portfolio management process, which resulted in a 20% increase in overall returns within two years. My ability to build strong relationships with management teams and stakeholders allowed me to navigate complex negotiations and ensure alignment with our investment objectives.

I am particularly drawn to Acme Corporation's commitment to fostering innovation and driving growth in its portfolio companies. I admire your recent investments in sustainable technologies and believe my analytical skills and hands-on experience in assessing market trends would align well with your goals. I am eager to bring my expertise in financial modeling and strategic analysis to your esteemed firm.

I welcome the chance to discuss how my background, skills, and enthusiasms align with the needs of Acme Corporation. Thank you for considering my application; I look forward to the possibility of contributing to your team.

Sincerely,

Jordan Avery Thompson
