Acme Corporation

RE: Promotion Bankruptcy Attorney

Dear Hiring Manager,

I am writing to express my enthusiasm for the Promotion Bankruptcy Attorney position at Acme Corporation, as advertised on your careers page. With a strong background in bankruptcy law and a proven track record of advocating for clients through complex financial challenges, I am excited about the opportunity to contribute to your esteemed firm, known for its commitment to client success and innovative legal solutions.

In my previous role at Smith & Associates, I successfully represented over 50 clients in Chapter 7 and Chapter 13 bankruptcy filings, achieving a 90% success rate in dischargeable debt cases. One notable case involved a client facing significant medical debt; I developed a strategic plan that not only secured a full discharge but also enabled the client to retain their home, which was a critical concern for their family. This experience honed my ability to navigate intricate bankruptcy laws while providing empathetic support to clients during their most challenging times.

Additionally, I spearheaded a pro bono initiative that provided legal assistance to low-income families facing foreclosure due to the pandemic. By collaborating with local non-profits, I helped over 30 families avoid losing their homes, reinforcing my commitment to community service and the importance of access to legal resources. My ability to balance high-stakes cases while actively engaging in community outreach is a testament to my dedication to the field of bankruptcy law.

I am eager to discuss how my experience and skills align with the needs of Acme Corporation. Thank you for considering my application; I look forward to the possibility of contributing to your team and supporting your clients with integrity and expertise.

Sincerely,

Jordan M. Thompson
