Acme Corporation

RE: Relocation Photographer

Dear Hiring Manager,

I am excited to apply for the Relocation Photographer position at Acme Corporation, which I discovered through your careers page. With over five years of experience in real estate photography and a passion for showcasing spaces that tell a story, I believe I have the skills and creativity necessary to contribute to your team and enhance your clients' relocation experiences.

In my previous role at Urban Lens Photography, I successfully executed a project for a high-profile real estate firm, where I captured images of over 30 properties within a tight deadline of three weeks. My photographs played a crucial role in increasing property viewings by 40%, validating my ability to produce high-quality work under pressure. Additionally, I developed a unique visual storytelling approach which involved incorporating elements of the neighborhood, leading to my work being featured in several local publications, further establishing the brand's presence and attracting more clients.

I am particularly drawn to Acme Corporation's commitment to helping individuals and families find their ideal homes during relocation. I am eager to bring my specialized skills in real estate photography and my genuine understanding of the relocation process to your team. I would love the opportunity to further discuss how my background and enthusiasm can align with the goals of Acme Corporation. Thank you for considering my application; I look forward to the possibility of speaking with you soon.

Sincerely,

Jordan Taylor Smith
