SUMMARY

Creative and detail-oriented Animator with over 5 years of experience in 2D and 3D animation. Skilled in bringing characters and stories to life through innovative animation techniques and a strong understanding of visual storytelling.

EXPERIENCE

Senior Animator

Jan 2022 - Present

Pixel Productions, New York, NY

- Increased animation efficiency by 30% through the implementation of new workflow processes.
- Led a team of 5 animators on a project that generated over \$200,000 in revenue.
- Utilized software such as Adobe After Effects and Maya to create high-quality animations for over 10 major projects.

Animator

Jun 2018 - Dec 2021

Creative Studio Co., Los Angeles, CA

- Produced 50+ animated video shorts for social media, resulting in a 40% increase in viewer engagement.
- Collaborated closely with the art department to ensure animations aligned with the overall project vision.
- Managed time effectively to meet tight deadlines while maintaining a high standard of quality.

Junior Animator

Jul 2016 - May 2018

DreamWorks Animation, Burbank, CA

- Assisted in the animation of a feature film that grossed over \$300 million at the box office.
- Developed animations for multiple characters and backgrounds using Blender and Adobe Animate.
- Received feedback from senior animators to refine techniques and improve overall animation quality.
